## **EN** Lubricating Eye Drops **3-in-1 extended relief from the feeling of irritated or dry eyes.**

**Blink® Triple Care:** A lubricating eye drop specifically formulated to provide protection and temporary relief of burning, irritation, and discomfort due to dryness of the eye or exposure to wind or sun.

**Contents:** Boric acid, castor oil, PEG 40 hydrogenated castor oil, polyethylene glycol 400, potassium chloride, purified water, sodium borate, sodium chloride, sodium chlorite (OcuPure® brand) as a preservative, sodium hyaluronate.

### **DIRECTIONS FOR USE**

- Shake well before use.
- Instill 1 or 2 drops in the affected eye(s) as needed or as directed by your eye care professional.
- If you wear contacts there is no need to remove them.

### **PRECAUTIONS**

- Do not use if allergic to any of the declared ingredients.
- Do not use if the tamper-evident seal is broken or missing.
- Do not touch tip of bottle to any surface, since this may contribute to contamination of the product.
- Replace cap after using.
- Always keep bottle tightly closed.
- For in-eye use only.
- Stop use and ask a doctor if you experience eye pain, changes in vision, continued redness or irritation of the eye, or if the condition worsens or persists for more than 72 hours.
- Store at 0°C to 30°C.
- Keep out of reach of children.
- Potential risks, side effects and complications generally associated with eye drops are allergic reaction, inflammatory reaction or infection. If you have continued problems, please discuss with your eye care professional.

REFER TO PRODUCT CARTON FOR DISCARD INSTRUCTIONS.

### **SIDE EFFECTS**

No known side effects.
